**To be completed by the first-year/sophomore adviser** (if the student is declaring a major for the first time):

We have discussed the student's degree requirements and have gone over the online audit.  
 Based on all completed courses:

- We believe the online audit is correct.
- We believe the online audit should be corrected as follows:
- The student's online audit does not but should include satisfaction of requirement/s by the following course/s completed at a school other than Barnard/Columbia:

School	Course	Term	Points	Requirement
--------	--------	------	--------	-------------
