SENIOR REQUIREMENT PREFERENCES SIGN-UP
Barnard College, Economics Department, 2015-16
March 25, 2015

Your Name _______________________________ School / Major _______________________________

Month/Year you plan to graduate ________________ Email _________________________________

Are you currently taking or have you previously taken a senior seminar (ECON BC3063)? Yes No

There are two ways to satisfy the senior requirement. Please checkmark your preferred route:

(A) _______ Senior Thesis I & II, ECON BC3061-62*

(B) _______ Senior Seminar, ECON BC3063 and additional upper level elective*

*Subject to the department chair’s approval, you can request to expand your senior seminar into a senior thesis by taking Econ BC3063 followed in the next semester by Econ BC3062 – Senior Thesis II. Once this option is approved, you would then no longer need to take an additional upper-level elective.

THESIS: If you selected Option A, please tell us your thesis subject preference, even if it’s in the most general terms (or write “unknown” if you have no idea what your subject will be). Also rank your section preference (1st, 2nd):
